

About This 2023 Giving Back Data Update

SCOPE OF THE UPDATE

Except as otherwise noted, this data update covers certain data of The Coca-Cola Company and The Coca-Cola Foundation, as applicable, for 2023. References to “currently,” “to date” or similar expressions reflect data and information as of December 31, 2023.

This update is provided to transparently share data on certain community-related programs. It should not be relied upon in making investment decisions.

Our processes and controls may not always comply with evolving standards and regulations for identifying, measuring and reporting certain metrics included in this update; our interpretation of reporting standards and regulations may differ from those of others; and such standards and regulations may change over time.

FORWARD-LOOKING STATEMENTS

This data update may contain statements, estimates or projections that constitute “forward-looking statements” as defined under U.S. federal securities laws. Generally, the words “believe,” “expect,” “intend,” “estimate,” “anticipate,” “project,” “will” and similar expressions identify forward-looking statements, which generally are not historical in nature. Forward-looking statements are subject to certain risks and uncertainties that could cause The Coca-Cola Company’s actual results to differ materially from its historical experience and our present expectations or projections. These risks include, but are not limited to, evolving regulatory requirements and expectations, including evolving processes, controls and methodologies data; an inability to attract or retain a highly skilled and diverse workforce; disruption of our supply chain, including increased commodity, raw material, packaging, energy, transportation and other input costs; an inability to successfully integrate and manage our acquired businesses, brands or bottling operations or an inability to realize a significant portion of the anticipated benefits of our joint ventures or strategic relationships; failure by our third-party service providers and business partners to satisfactorily fulfill their commitments

and responsibilities; an inability to renew collective bargaining agreements on satisfactory terms, or we or our bottling partners experience strikes, work stoppages, labor shortages or labor unrest; obesity and other health-related concerns; evolving consumer product and shopping preferences; product safety and quality concerns; perceived negative health consequences of certain ingredients, such as non-nutritive sweeteners and biotechnology-derived substances, and of other substances present in our beverage products or packaging materials; failure to digitalize the Coca-Cola system; damage to our brand image, corporate reputation and social license to operate from negative publicity, whether or not warranted, concerning product safety or quality, workplace and human rights, obesity or other issues; and other risks discussed in our filings with the Securities and Exchange Commission (the SEC), including our Annual Report on Form 10-K for the year ended December 31, 2023, and our subsequently filed Quarterly Reports on Form 10-Q, which filings are available through the SEC’s website. You should not place undue reliance on forward-looking statements, which speak only as of the date they are made. We undertake no obligation to publicly update or revise any forward-looking statements.
